Monday - My opinion - more urgent reasons for leaving
Mem - to show how easy it was to frighten somebody
out in the country. From Dean 6/25 a.m. Hunt,
employment by 3 alternating + work for both; real
reason for problem with bad leg - steel, absorption.
D. Hunt - personal papers in both safe when arrested
Rest of stuff kept elsewhere - bank, for example. Mitchell
resignation forced. Mtg. Monday.

Contact, handing book as noted already at noon his
birthday.

Dean 6/25 p.m. - Prosecutors delaying indictment.
